

Cherry Hill Pre-School

Vol. 10

Newsletter

June 2022

I can't believe this is the last newsletter of the school year! I cannot thank you all enough for sharing your children with us! The most important things we wanted to provide for our students were a high quality preschool education in a safe and healthy environment. We are honored to have been your child's first teachers! It has been an absolute pleasure every day to open that door and see their smiles! Thank you for your cooperation, your sacrifices and generosity throughout the year. It is greatly appreciated!

If you are a returning friend, have a wonderful summer. We look forward to seeing you again in September! Please spread the word that we still have some openings in our classes for September 2022!

General Reminders

*******MAY TUITION IS DUE BY FRIDAY MAY 27th. Thank you so much for your cooperation.**

An application and medical form have been distributed to all returning students and siblings. If you did not receive these forms please contact Miss Cheryl before school ends. All new registration forms are due by the first day of school.

School News – we continue to observe our caterpillars in their chrysalis, waiting patiently for the butterflies to appear. We will also continue to discuss insects through the rest of the year with fun activities, crafts and stories. Everyone will receive another progress report and their year-long projects they have been working on.

As we enter into the last month of school we hope that everyone stays healthy and parents make every effort for the best attendance. We have a lot to prepare with our graduating students and lots of fun for all. Everyone will be receiving a final progress report. When you receive it please feel free to contact me to discuss your child's progress and any questions you may have.

Since we are optimistic about the weather please be sure to dress your child accordingly for the playground for the rest of the school year. No open toed shoes, no slip on shoes, no party shoes, no dresses unless shorts are underneath, no jewelry with the exception of little earrings. Please be mindful that we are on a playground running, sliding, swinging, etc..

***Last Day of School for our Tuesday - Friday morning class is Friday June 17th. We will celebrate with an Ice Cream Party and we have a few little surprises for them as well as a certificate of completion of the year. All Summer birthdays will be recognized on this day as well.**

***Last Day of School for our 3 day morning class and afternoon class will be Thursday June 16th. We will celebrate with an Ice Cream Party, recognize all Summer birthdays, and hand out certificates to our little friends in the afternoon as well as a few surprises.**

***GRADUATION INFORMATION FOR OUR STUDENTS GOING TO KINDERGARTEN IN SEPTEMBER WILL FOLLOW IN A SEPARATE NOTICE.** Graduation is Monday June 20th.

Pre-K information (graduating to kindergarten students)

As we finish out the school year it is exciting to see all the accomplishments the children have made. We are so proud of them all! What growth we have seen! As teachers, we encourage you to continue to work with your child over the summer, particularly in the areas of fine motor, letter recognition, number recognition, rote counting, fostering their independence, and teaching your child their personal information. Personal information includes, full name, parent's names, phone number, birth date, and address. All of these skills are essential for your child to have mastered before entering kindergarten.

We are confident that we have provided them with "Wings to Fly" like our butterflies. They are ready! Graduation is always bittersweet for me and my staff but having the privilege of watching your children learn and grow all year helps us to let go. *We wish you all the best!*

Have a wonderful safe and sunny summer!

Love,

Miss Cheryl, Miss Kristina, Miss Chris, & Miss Doreen

P.S. Don't forget: if you or your child would like to contact me at anytime just go to our website, I will be reading e-mails often, or you can message me through Facebook. I look forward to hearing from you.

*******Just a reminder- Miss Cheryl will be away and will not be in school May 31, June 1, June 2. Please speak with Miss Kristina those days if you have any concerns, etc. If you are going to be absent any of those days please CALL the school before class begins. 231-3355. Thank you.**
