March 2019

I'm not sure if you are asking this question but I certainly am, "*It's March already?*"

General Reminders

At this time I have received only a few registrations from returning students and siblings. If you would like your choice of class time and days I advise you to return your registration as soon as possible. I have given several tours this month and signed up many new students. If you know of anyone that is interested, please let them know they may call the school so I can set up a tour, view the curriculum and meet the staff. Past and present families are my best source of advertisement. I greatly appreciate you all spreading the word. In May, all returning students and/or siblings attending in the fall will receive a new packet of registration forms. It is required by law that all forms be current each new school year. All forms must be returned to school by your child's first day or mailed to the school over the summer. Our 39th school year begins Wednesday, September 4, 2019 with Children's Orientation. Classes will start Thursday, September 5, 2019.

Pre-K Parents~ If your child will be attending kindergarten this upcoming September please be sure to contact your local school department for kindergarten registration dates. Many cities and towns will be registering beginning this month. I should have Johnston information within the next week.

***Your March Enrichment Fee** is due by **Friday March 29th**. Please fill out and return the attached envelope with your payment. I would prefer to keep the enrichment fee separate from your tuition payment if at all possible. Thank you for your support. It is greatly appreciated.

***Please return your March Scholastic book order by Tuesday, March 5th.**

****"PJ's and Pancakes Party"** to celebrate the letter "P" **Thursday 3/21 morning and afternoon class and Friday 3/22. Wear your pajamas and bring slippers if you would like. You will not need a snack or a drink. I will be cooking my famous pancakes and providing juice and water.**

***School Picture Day for EVERYONE is Tuesday March 26th.**

***Our Letter Pockets this month are P, Q, R.**

***Color for the month is GREEN. Shape for the month is DIAMOND.**

***School News-**March brings us a very busy month. We will have fun with some St. Patrick's Day shenanigans with possible visits from the leprechauns to our school during the night. Sometimes they make a mess of our class, they may hide some shamrocks, leave special treats, and they always leave leprechaun dust. HeHe! We will be celebrating the arrival of Spring and the discussions of the weather. Every school day this month we will be choosing a weather reporter for our weather calendar. We continue to work on letter recognition, letter sounds, writing and fine motor activities. For our pre-k students our focus this month are the letters P,Q,R. Please encourage your child to participate in our Letter Pocket Pictures activity. Remember only 3 pictures a day. Please review the pictures with your child so they know when what they are when presenting them to the class. We would love more participation. We will also focus on the shape diamond and the color green for all our students.

***Gene Hutnak Photography** from Scituate, RI will be at our school **Tuesday March 26th** for school pictures. Gene has been our professional school photographer for over 30 years. A class photo will also be taken as well as individuals. Gene will photograph your child full-view and close- up so please take that into consideration when dressing your child for picture day. You are under no obligation to purchase pictures but we would like everyone to be dressed for picture day for our class photo. You will receive previews of your child's sitting within 7 days after the photos have been taken, and you will be able to choose which pose and package you would like. When dressing your child, keep in mind this is a **school** photo and the background will reflect that theme.

Morning Class instructions only: EVERY MORNING STUDENT is to arrive on Picture Day at 8:30am for our class picture. Please be on time. It is very important. If your child does not attend school on Tuesdays their individual picture will be taken first. We will be dismissing them as soon as their picture is taken. You may choose to wait outside for them or run a quick errand and be back for them by 9:15am. *Please mark your calendars!*

Afternoon class instructions only: ALL AFTERNOON STUDENTS are to arrive on Picture Day at 12:15pm. If your child does not attend school on Tuesdays their individual picture will be taken first. We will dismiss them within 30 minutes. You may choose to wait outside for them or run a quick errand and come right back.

Don't forget to bring your Cherry Hill Pre-School Smile!
