Cherry Hill Pre-School

Volume # 3 Newsletter November 2026

GENERAL REMINDERS

***** School picture previews will be distributed very soon if not already. We are sure you will be very pleased. Remember you are under no obligation to purchase. If you would like to purchase, **please return to the school with payment by the deadline on the previews or mail directly to Gene Hutnak Photography.** The address is at the bottom of the previews.

***Don't forget to schedule your child's flu shot if you have not already done so. Please submit flu record for your child's file as soon as they have had the vaccine.**

***Since the colder weather is approaching it is necessary to wear an outer layer of clothing. The best way to dress your child for school is an outer layer they can manage to take off when they arrive at school (hoodies, half zips and tight jackets are a struggle for them) and is also wearable in their car seat. The only type of coat that is not recommended to wear in a car seat is a puffy/thick coat. Anything else is safe. Please do not put any outer wear on your child that you have to dress and undress them in the car at pick up and drop off time. It really holds up the line and everyone is waiting. We continue to work with the children independently putting on their jackets, coats etc. Please work with them at home as well. Thank you for your cooperation.**

***Child Outreach Screening-** It is a good time to have your child screened through your local school department. If you haven't done so, please call and make an appointment. It is very important for your child to be sure they are developing appropriately for their age. They screen 3-, 4-, and 5-year old's not yet in kindergarten.

*** In-school pick up days-** Thursday 11/19 and Friday 11/20 will be our days this month.

Inclement Weather Procedures-** As we creep closer and closer to winter, we need to be prepared for weather related school closings. If the weather is questionable on your child's school day please check your ***Remind app, **Facebook** and/or call the school (**231-3355)** to see if there are any messages about school closings. I will post on the ***Remind app***, post on **Facebook** and record a message on the school phone all by 7:00am **IF and only if it is necessary to close school for that day.**

***No School -Wednesday November 11th Veteran's Day**, **Thanksgiving Thursday 11/26 and Friday 11/27.**

***Thanksgiving Pancake Party** - Miss Cheryl will be cooking her famous pancakes ("It's my secret recipe"), during class on Thursday 11/19 and Friday 11/20. This is a long-standing tradition. Your children will not need a snack or a drink on that day. We will have lots of toppings for the pancakes, juice or water to drink. If your child does not eat pancakes, please feel free to send them a snack.

Color and Shape for the month- Brown and Square

Letters for the month- G, H, I

School News

For the month of November we will be focusing on the season of fall, and of course some turkey fun. We continue to work on listening skills, self-help skills and fine motor development. Continue to follow through at home with developing these skills. At home, work on teaching your child to put their jackets on. Allow enough time before you go out to let them at least try to put it on. We will try to go outside as much as we can as long as it is mild and dry. Dress your child accordingly especially with proper supportive footwear and easy on and off outerwear. Please **no rain boots or snow boots are to be worn in school.** Since you are dropping off right at the walk there is no need of wearing these kinds of boots. The children have a hard time sitting crisscrossed on the rug and they struggle walking and participating in some gross motor activities. Thank you for your cooperation.

*****Please check your newsletter and Remind app regularly so you do not miss out on any special dates or activities that we are doing in school.***

We wish you all a safe and healthy Thanksgiving!
